**Tasting Notes:** The 2022 vintage of Chardonnay from our Sierra Madre Vineyard gives a curious palate a lot to unpack. The nose leads with a fusion of lemon curd, spearmint, chamomile, and fresh butter. The lemon note carries through to the palate, where it is joined by honeycomb, green apple pie, and a touch of chalk. A well-structured wine that's still light on its feet.

“The 2022 Chardonnay Sierra Madre Vineyard offers an intriguing mix of textural intensity a structure. Apricot, tangerine oil, mint, white pepper and slate all race across the palate. I would give this a bit of time in bottle. The 2022 is quite promising.”

“From the Santa Maria Valley, the 2022 Chardonnay Sierra Madre Vineyard reveals a light gold hue as well as a more focused, mineral-driven style in its citrus, tart pineapple, and honeyed, minty flower-like aromas and flavors. It's balanced, medium-bodied, has bright acidity, and a clean, lengthy finish.”
